## **Foresight Announces Fourth Quarter and Full Year 2017 Financial Results**

March 27, 2018 05:29 PM Eastern Daylight Time

NESS ZIONA, Israel--([BUSINESS WIRE](#))--Foresight Autonomous Holdings Ltd., an innovator in automotive vision systems (NASDAQ and TASE: FRSX), today reported financial results for the fourth quarter and full year 2017. Foresight ended the fourth quarter of 2017 with \$21.8 million in cash and short-term deposits, with GAAP net loss for the full year 2017 of \$15.9 million and with non-GAAP net loss of \$5.3 million.

“The excitement for Foresight’s life-saving automotive vision solutions continues to grow,” commented Foresight Chief Executive Officer Haim Siboni. “Most recently, our innovative QuadSight™ vision system drew a tremendous amount of attention at the International Consumer Electronics Show in Las Vegas. We have also seen considerable progress in China, as Foresight concluded pilot programs with multiple leading Chinese car manufacturers during 2017. In the coming year, we will continue to leverage our industry-leading technology through pilot tests and commercial partnerships, leading us to long-term success.”

### **Fourth Quarter 2017 Financial Results**

- Research and development (R&D) expenses for the three months ended December 31, 2017 were \$1,670,000, compared to \$308,000 in the three months ended December 31, 2016. General and administrative (G&A) expenses for the three months ended December 31, 2017 were \$732,000, compared to \$645,000 in the three months ended December 31, 2016. This increase is attributed mainly to accelerated employee recruitment and is comprised primarily of payroll and related expenses, stock-based compensation expenses and subcontracted services expenses.
- GAAP net profit for the three months ended December 31, 2017 was \$6,493,000, or \$0.06 per ordinary share, compared to a GAAP net loss of \$1,019,000, or \$0.01 per ordinary share, in the three months ended December 31, 2016. The decrease is attributed mainly to the revaluation of derivative warrant liability, and revaluation of other investments (mainly the warrants we hold in Rail Vision Ltd.).

Non-GAAP net loss for the three months ended December 31, 2017 was \$977,000 or \$(0.01) per ordinary share compared to a non-GAAP net loss of \$1,032,000, or \$(0.01) per ordinary share, in the three months ended December 31, 2016.

### **Full Year 2017 Financial Results**

- R&D expenses for the full year ended December 31, 2017 were \$4,089,000, compared to \$904,000 in the full year ended December 31, 2016. The increase is attributed to acceleration in Research & Development efforts and employee recruitment, and is comprised primarily of payroll and related expenses, stock-based compensation expenses and subcontracted services expenses.
- G&A expenses for the full year ended December 31, 2017 were \$3,753,000, compared to \$2,627,000 in the full year ended December 31, 2016. The increase is attributed primarily to payroll and related expenses, stock-based compensation expenses and expenses related to service providers.
- GAAP net loss for the full year ended December 31, 2017 was \$15,942,000, or \$(0.17) per ordinary share, compared to a GAAP net loss of \$1,913,000 or \$(0.03) per ordinary share, in the full year ended December 31, 2016. The increase is attributed mainly to the increase in R&D expenses, the increase in stock-based compensation expenses, and the increase in revaluation of derivative warrant liability.

Non-GAAP net loss for the full year ended December 31, 2017 was \$5,274,000 or \$(0.06) per ordinary share compared to a non-GAAP net loss of \$3,355,000 or \$(0.05) per ordinary share, in the full year ended December 31, 2016.

### **Balance Sheet Highlights**

- Cash and short-term deposits totaled \$21.8 million as of December 31, 2017, compared to \$3.8 million on December 31, 2016. The increase compared to December 31, 2016 is attributed mainly to the proceeds received from private placements that occurred in the first half of 2017, totaling \$11.6 million gross (\$10.7 net) proceeds and to the warrants exercise proceeds, equal to \$12.6 million, less the cash used during the period.
- GAAP shareholders' equity totaled \$24.8 million as of December 31, 2017, compared to \$4.7 million as of December 31, 2016.

Non-GAAP shareholders' equity totaled \$22.9 million as of December 31, 2017, compared to \$4.8 million as of December 31, 2016.

### **Recent Corporate Highlights:**

- **Demonstrated QuadSight<sup>TM</sup> vision system at CES 2018:** Foresight exhibited its groundbreaking QuadSight<sup>TM</sup> vision system at CES 2018 in Las Vegas, drawing considerable attention including a feature on CNBC's "Halftime Report." Foresight demonstrated the quad-camera vision system's industry-leading obstacle detection in all lighting and weather conditions.
- **Increased stake in Rail Vision following successful trial in Europe:** Foresight increased its stake in Rail Vision Ltd. by exercising warrants on 11,486 of Rail Vision's ordinary shares for an aggregate of \$2.24 million. As of the date hereof, Foresight holds 32.16% of the issued and outstanding share capital of Rail Vision and 35.39% on a fully diluted basis.
- **Completed Pilot Project with One of China's Largest Car Manufacturers:** Foresight successfully completed its previously-announced pilot project with one of China's top three largest car manufacturers, meeting the pre-defined requirements and criteria established for success. Foresight's Eyes-On<sup>TM</sup> system was tested in both controlled and uncontrolled environments against both predefined and incidental targets. The parties have agreed to examine potential opportunities for cooperation.

## Use of Non-GAAP Financial Results

In addition to disclosing financial results calculated in accordance with United States generally accepted accounting principles (GAAP), the company's earnings release contains non-GAAP financial measures of net loss for the period that excludes the effect of stock-based compensation expenses and revaluation of derivative warrant liability, and non-GAAP financial measures of shareholders' equity that excludes the effect of derivative warrant liability. The company's management believes the non-GAAP financial information provided in this release is useful to investors' understanding and assessment of the company's ongoing operations. Management also uses both GAAP and non-GAAP information in evaluating and operating business internally and as such deemed it important to provide all this information to investors. The non-GAAP financial measures disclosed by the company should not be considered in isolation or as a substitute for, or superior to, financial measures calculated in accordance with GAAP, and the financial results calculated in accordance with GAAP and reconciliations to those financial statements should be carefully evaluated. Reconciliations between GAAP measures and non-GAAP measures are provided later in this press release.

## About Foresight

Foresight Autonomous Holdings Ltd. (NASDAQ and TASE: FRSX), founded in 2015, is a technology company engaged in the design, development and commercialization of stereo/quad-camera vision systems and V2X cellular-based solutions for the automotive industry based on 3D video analysis, advanced algorithms for image processing and sensor fusion. The company, through its wholly owned subsidiary Foresight Automotive Ltd., develops advanced systems for accident prevention which are designed to provide real-time information about the vehicle's surroundings while in motion.
